

2017 Standing Up for Mothers and Babies Awards Nomination

Mother of the Year Award

The Mother of the Year Award will be given to a mother in our region who succeeded in an organization's program and now serves as an inspiration for a better community for moms, children and families. She advocates for improving health for moms and babies in her neighborhood, and exemplifies that when everyone works together, a healthy and vibrant community is a reality.

The Standing Up for Mothers and Babies Awards are presented in recognition of outstanding leaders and advocates for mothers and babies. The Standing Up for Mothers and Babies Awards Dinner will be held October 19, 2017 at the Chase Park Plaza.

As a key partner in the maternal and child health community, you can identify people or organizations that have been exemplary in advancing the health of women and children in the St. Louis region.

Please submit nominees for Mother of the year by April 28, 2017.

Award Selection Process:

Nominations may be submitted by our partner organizations. Nominees will be reviewed and selected by an Awards Committee based on the written submission. Award winners will be notified in advance of the awards dinner and will receive a select number of tickets and transportation to the dinner. Partner Organizations will be profiled in the program. Each organization will receive one ticket to the dinner.

To submit your nomination or for more information, please contact Kim Jackson at kjackson@generatehealthstl.org or (314)880-5702.
