

## Discussion Questions

1. What did you find most surprising in the presentation?
  - No daycare worker vaccines requirements.
  - Agreement in mandatory vaccine policy
  - Daycare agencies don't check their staff vaccination status frequently
  - Private care provider do not recommend vaccine as frequently as we believe
  
2. What are the barriers to daycare immunization?
  - Cost and time
  - Lack of knowledge
  - Where to receive vaccine and what type of vaccine is recommended
  - Sick leave policy
  - Insurance/coverage for adult vs kids
  
3. What kind of information do you think your constituents need to know about daycare immunization?
  - Parents don't know there is NO policy in regards to daycare vaccine
  - Direct care worker don't have sick leave and still come to work site
  - Parents calling in sick instead of kids being sick
  - General safety with daycare workers
  - Educate where vaccines can be gotten, all avenues and cost factors
  
4. What are some strategies that could be used to improve vaccination coverage for this population?
  - Ranku Jordan - mandatory vaccination, holding check to make sure of compliance because of highly sick children
  - Cost for daycare workers to be vaccinated - all insurance should cover - problem
  - Where to go? Evening hours and after work hours need to be accessible
  - Daycare should be invested in having daycare workers vaccinated and they are not
  - Accessible - mobile unit to vaccinate
  - Insurance barrier
  - Schools - liability issues
