

Bill Tracking with Generate Health and Fast Democracy

1) Go to www.generatehealthstl.org. Hover over the “Advocacy” drop down menu and select “legislative tracking.”

2) You will see a list of topics that Generate Health is following. Click on any of the topics to see a list of the bills related to that topic that Generate Health is tracking.

3) If you want to get regular email updates on any of the bill lists, click “Subscribe to this bill list.”

4) Each entry on the bill list will look like this:

- a) This is the jurisdiction of the bill (MO for Missouri or US for federal level), the year, then the bill number. “SB” indicates a Senate Bill and “HB” indicates a House Bill. Click on this line to read the bill, share the bill on social media, see any available news coverage on the bill, and to contact the bill sponsor to share your thoughts. Note that you may be prompted to create an account on Fast Democracy (this is FREE) or log in if you already have an account.
- b) This is the bill sponsor(s).
- c) This is the latest action taken on the bill.
- d) You can read the latest version of the bill. Click here to read it.
- e) This space has details on any next steps, such as a hearing, that are scheduled.
