Overall Impact Level: **Medium Impact**

- Worked towards identifying priority transportation projects for the St. Louis region.
- Prioritized transit-oriented development.
- Promoted paid family leave.

### Recommendations for Improvement:

1. Use your platform to prioritize equitable healthcare.
2. Attend trainings and events focused on racial equity.
3. Listen to the asks of Black moms and babies and follow through.

**What is this?**

This is a tool to increase transparency and accountability between elected officials in St. Louis and the communities of they represent.

**What can I do with this?**

Read through this report and then take action. Contact your elected official and thank them for the positive work they have done. Hold them accountable for the policies they advocate for and demand they create change.

**Why does this matter?**

Black mothers and babies in St. Louis are dying at double the rate of white mothers and babies. We need to do more.

### Our Mission

Generate Health mobilizes and inspires the St. Louis region to advance racial equity in pregnancy outcomes, family well-being, and community health.
