Social Determinants of Health	Racial Equity in Maternal Health & Mortality
Racial Equity in Infant Health & Mortality	Equitable Health Care

Overall Impact Level: **High Impact**

- Championed the promotion of reproductive justice.
- Worked towards promoting Safe Sleep practices and infrastructure.
- Advocated for breaking down barriers to care.

Recommendations for Improvement:

1. Listen to the asks of Black moms and babies and follow through.
2. Prioritize Black moms and babies in budgets.
3. Partner with elected officials who are champions of this issue and support their work.

What is this?

This is a tool to increase transparency and accountability between elected officials in St. Louis and the communities of they represent.

What can I do with this?

Read through this report and then take action. Contact your elected official and thank them for the positive work they have done. Hold them accountable for the policies they advocate for and demand they create change.

Why does this matter?

Black mothers and babies in St. Louis are dying at double the rate of white mothers and babies. We need to do more.

Our Mission

Generate Health mobilizes and inspires the St. Louis region to advance racial equity in pregnancy outcomes, family well-being, and community health.
