

JILL SCHUPP

Senator - District 24

Phone: (573) 751-9762

Social Determinants of Health	Racial Equity in Maternal Health & Mortality
Racial Equity in Infant Health & Mortality	Equitable Health Care

Overall Impact Level: **High Impact**

- Defender of reproductive health care by fighting the defunding of Planned Parenthood & partisan attacks on women's full range of access to reproductive care.
- Hosts an annual Care Fair that connects people with the various health resources and services in the community.

Recommendations for Improvement:

1. Partner with expert organizations to learn more about these calls to action and elevate their expertise.
2. Work to promote community as experts in their own experience.
3. Continuously speak out against racist policies.

What is this?

This is a tool to increase transparency and accountability between elected officials in St. Louis and the communities of they represent.

What can I do with this?

Read through this report and then take action. Contact your elected official and thank them for the positive work they have done. Hold them accountable for the policies they advocate for and demand they create change.

Why does this matter?

Black mothers and babies in St. Louis are dying at double the rate of white mothers and babies. We need to do more.

Our Mission

Generate Health mobilizes and inspires the St. Louis region to advance racial equity in pregnancy outcomes, family well-being, and community health.
