

ELECTED OFFICIAL'S IMPACT REPORT

MEGAN E. GREEN

15th Ward

Alderwoman for the
City of St. Louis

Phone: (314) 622-3287

Social Determinants of Health	Racial Equity in Maternal Health & Mortality
Racial Equity in Infant Health & Mortality	Equitable Health Care

Overall Impact Level: **High Impact**

- Promoted trauma-informed services through support services.
- Worked towards getting paid family leave.
- Advocated for reproductive justice.
- Promoted raising minimum wage.

Recommendations for Improvement:

1. Attend trainings and events focused on racial equity.
2. Listen to the asks of Black moms and babies and follow through.
3. Use your platform to help others understand Racial Justice.

What is this?

This is a tool to increase transparency and accountability between elected officials in St. Louis and the communities of they represent.

What can I do with this?

Read through this report and then take action. Contact your elected official and thank them for the positive work they have done. Hold them accountable for the policies they advocate for and demand they create change.

Why does this matter?

Black mothers and babies in St. Louis are dying at double the rate of white mothers and babies. We need to do more.

Our Mission

Generate Health mobilizes and inspires the St. Louis region to advance racial equity in pregnancy outcomes, family well-being, and community health.
