Recommendations for Improvement:

1. Work to pay appropriate wages.
2. Use your platform to prioritize care.
3. Listen to the asks of Black moms and babies and follow through.

What is this?

This is a tool to increase transparency and accountability between elected officials in St. Louis and the communities of they represent.

What can I do with this?

Read through this report and then take action. Contact your elected official and thank them for the positive work they have done. Hold them accountable for the policies they advocate for and demand they create change.

Why does this matter?

Black mothers and babies in St. Louis are dying at double the rate of white mothers and babies. We need to do more.
