| Social Determinants of Health              |  | Racial Equity in Maternal Health & Mortality |  |  |  |
| Racial Equity in Infant Health & Mortality |  | Equitable Health Care                        |  |  |  |

Overall Impact Level: **High Impact**

- Advocates to build healthy, affordable housing.
- Supporting early childhood education is his #1 issue.
- Champion on working to end hunger for children and families.

### Recommendations for Improvement:

1. Listen to the asks of Black moms and babies and follow through.
2. Use your platform to prioritize equitable healthcare.
3. Work with businesses and organizations to prioritize community voice. How are their biases hurting communities of color? What can they do to pursue racial equity?
